**AFTER LOVE Surfing to Cambodia**

24 November – 31 December 2023

**Ikastikos Kiklos DL** presents on **Friday 24 November 2023** the **solo exhibition** of **Takis Veremis** titled « **AFTER LOVE Surfing to Cambodia** ».

"To take a photograph is to participate in another person's mortality, vulnerability, mutability. Precisely by slicing out this moment and freezing it, all photographs testify to time's relentless melt." Susan SONTAG

Mortality, vulnerability and the moment when time's relentless melt is captured by the camera. The moment when, the so called adhesive substance of contemporary Western society named Love, disappears, allowing light to reveal the signs of this meltdown.

AFTERLOVE, the new photographic work (with unprocessed digital prints on canvas) by self-described "photo-reporter" Takis Veremis, comes one year after the exhibition SANCTUARIES (a.antonopoulou.art).
